OVERVIEW

Chemical management made simpler, neater, cleaner and safer - Lafferty. In addition to supplying spare parts for all Lafferty equipment, Lafferty offers many convenient accessories to complement its wide range of chemical application equipment.

Key Features

- Allows the user to easily install Lafferty wall-mounted equipment
 - Mount equipment on a wide range of uneven surfaces such as corrugated metal walls
 - Easily remove / reinstall units for maintenance
- The 14" x 17" board is large enough to accommodate most standard products along with some optional accessories (water filters, backflow preventers, etc.)
- Chemical resistant polypropylene is long-lasting and reusable
- 1/2" thick base is durable and supports heavy equipment

Ordering Options

- Order with a pre-mounted unit
 - Unit will ship from the factory mounted to the base
- Order without a pre-mounted unit
 - Includes 4 sets of bolts, washers, and nuts to allow the user to mount a unit to the board
 - No pre-drilled mounting holes

Due to the wide range of possible mounting surfaces, hardware for mounting the board to the wall (or other surface) is NOT included.
