Tilt Stainless Steel Hose Rack

MODEL # 224160

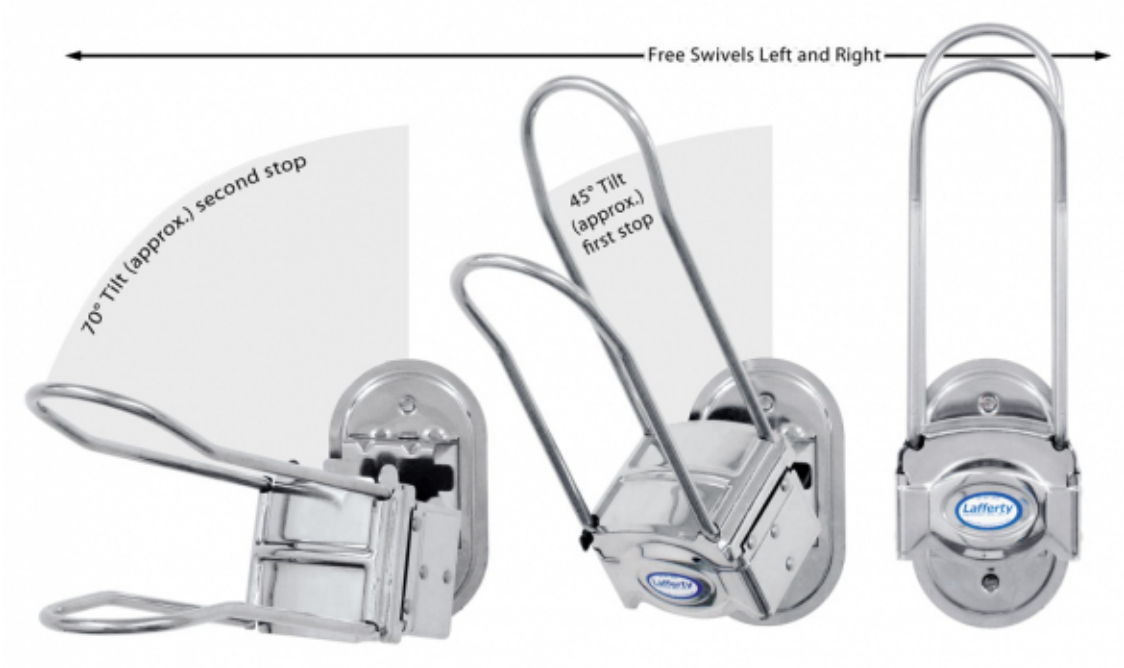

OVERVIEW

Chemical management made simpler, neater, cleaner and safer - Lafferty. In addition to supplying spare parts for all Lafferty equipment, Lafferty offers many convenient accessories to complement its wide range of chemical application equipment.

Stainless Steel, Large, Tilting Hose Rack
Store and remove large hoses using this easy-to-use, adjustable position hose rack. This heavy-duty unit makes it easy to remove large or heavy hoses by tilting the rack forward. The user can remove a few loops at a time or tilt it to the flat position to grab the entire hose without lifting the hose vertically. It will also pivot 60 degrees to the left and right, allowing easy side access.
