

Drain Foamer Attachment (Air-Pump Systems)

MODEL # 538250

OVERVIEW

Chemical management made simpler, neater, cleaner and safer - Lafferty. In addition to supplying spare parts for all Lafferty equipment, Lafferty offers many convenient accessories to complement its wide range of chemical application equipment.

Key Features

- Projects rich, clinging foam into drains for quick and effective cleaning
- Drain cover plate prevents backsplash towards the user
- Extended wand reduces bending and helps prevent back strain
- Attaches to the discharge hose of any Freedom or Liberty Air-Pump Foamer
- Two different models for low/high flow rates:
  - For Liberty Foamers and Freedom 2.5 Foamers (#538245)
  - For XV/HV Freedom Foamers (#538250)
- Quick connects allow the user to easily switch between the standard foam wand (included with the complete air-pump unit) and this optional attachment
- See compatible air-pump foamers in Catalog 4

Includes

- 14" x 14" x 0.5" Polypropylene plate
- 27" wand with quick connect plug
- Quick connect socket and plug (to adapt the existing hose discharge and standard foam wand)

REQUIREMENTS

Compatible Air-Pump Foamer
